

# 2nd ANNUAL NATIVE PLANT SALE

Citrus Chapter of the Florida Native Plant Society

Planting what belongs - **native plants** - is the best way to sustain wildlife and functioning ecosystems.

PICK UP OF ALL ORDERS WILL BE  
FRIDAY, MARCH 17th, 3-6 PM

Order Florida flora from the comfort of your home.  
Your plants will be ready for pick up in time for spring planting ...

Choose from Trees, Shrubs, Wildflowers, Grasses, Vines, Palms & Groundcovers

FNPS Members receive 10% off entire plant purchase \*

\*Receive membership discount by submitting a new membership application with your order

*"Increasing the percentage of native plants in suburbia is a grassroots solution to the extinction crisis. Our success is up to each one of us.*

*Individually. We can each make a measurable difference almost immediately by planting a native nearby."*

- Dr. Douglas W. Tallamy, author of Bringing Native Home: How You Can Sustain Wildlife and Native Plants

Mail your order and check to:  
CCFNPS c/o Gail Taylor  
P.O. Box 215  
Crystal River, FL 34423

If other FNPS chapter, please include chapter name: \_\_\_\_\_

To assist you in finding the perfect plant, we suggest two sites that offer plant selectors. Check the boxes to input region, sun, water, and other site considerations, and they will provide a list of recommended plants.

Florida Native Plant Society allows you to select by county, and combines flowers, shrubs, trees, etc. on one page.

<http://www.fnps.org>

Florida Yards & Neighbors program divides list by plant type. The native plant option is on the second page.
